**Safer & Stronger Community Group  
for  
Frampton Cotterell, Coalpit Heath and Westerleigh**

This is a meeting of local people plus representatives from key local statutory and voluntary organisations.

The aim of the Safer & Stronger Community Group is to support local action in the Frampton Cotterell, Coalpit Heath and Westerleigh areas that contributes towards a Safer and Stronger community. Together we want to work to ensure that the community is a safe, thriving and pleasant place to live, work and play.

As a group we want local people to have a greater voice and influence in their local area and to do this we need people to get involved. If you have ideas about what could be done to improve the local area then we would like to hear from you. If you would like to get involved in identifying local priorities then please get in touch.

Everyone is welcome at the meetings so if you have local issues that you wish to raise, if you want to share your ideas, or if you just want to listen, then please come along to a meeting. The next meeting for the group will be at

**Manor School, Roundways -Tuesday 6th January 7.30pm**
