278 Youth Group Report (*attached*)

This was noted

The committee noted:

- The level of youths using the group had risen; however there seems to be a lack of girls. This is to be addressed by having a girl's night.
- Cllr D Hockey showed concern with the number of courses the youth worker has arranged and the time implication.
- The committee asked the youth worker if he could submit his report a little earlier, so they had time to read it before the meeting.

Andy was congratulated on the music workshop he had arranged, and the success of the youth group.

Shared use of the Centre on Youth Nights.

Spanish will use the outside door in their room to enter and leave the building. Removable screens will be use to separate the Spanish class from the youth group. This should meet South Gloucestershire's legislation. Andy will report on the success of the screens.

- Cllr Hayter
- Cllr Keel
- Cllr King
- Mr Millard

- The clerk reported that her new computer was working fine.

Cllr Broome reported:

- Windows XP had been installed on all computers in the IT Suite.
- Windows XP had been purchased through South Gloucestershire at a cost of £32 per computer. Retail price would have been £160 Per computer, giving the Brockridge Centre a large saving.

282 Finance

A block on spending

283 Kitchen Cleaner.

It was noted

- That the kitchen cleaner had failed to turn up, and that she could not be contacted.
- That we would advertise for a new cleaner.
- Approach local schools to see if they had a cleaner that would like to do this.

284 Letter Box

It was suggested that the letterbox should be moved to the door, with a lockable box attached to the rear. Ken is to be asked to cost this, and to check it would not impede disabled access.
